PulpOut® Bur-Essential Dental System

Access the pulp chamber without perforating the furcation. Permanently set at the critical depth from the cusp tip to the pulp chamber ceiling of teeth with furcations. Provides more cutting surfaces allowing for easier cutting with less hand pressure needed, resulting in increased debris removal. Remains sharper long. Sterilizable.

Intro Kit

Contains: 4 PulpOut® Burs and 1 Diamond Shaper
4000-05 31.25

Refill Kit

Contains: 16 PulpOut® Burs and 4 Diamond Shapers
4000-20 104.95
